

THE CENTRAL RECORD

PURE RELIGION, UNTARNISHED DEMOCRACY AND GOOD GOVERNMENT.

LANCASTER, KY., FRIDAY, MAY 9, 1913.

NUMBER 5.

TWENTY FOURTH YEAR.

MR. FARMER!

When You pay your good Money for

Farming Implements

you should get something that is good and which you can get good results from.

Our experience in the repairing of various machinery places us in a position to know a piece of Machinery better than the average man.

We offer you the benefit of this experience in the selection of a line of

Disc Harrows, Corn Planters, and Drills, Cultivators Etc.,

which we offer you strictly on their merits. Kindly give us a chance to demonstrate.

CONN BROTHERS

Lancaster, Ky.

We Live and Let Live.

Not a street in the city but what there is a building going up.

Corn planting about finished and tobacco setting soon to begin.

Some people still knocking on the building of sidewalks, but just wait and see.

Mr. Harry Crutchfield has about completed a handsome new cottage on Stanford street.

New strawberries, the Tennessee product, have made their appearance on the local market.

Sheep shearing is in progress and many a winter coat will be lost within the next few weeks.

No signs of work beginning work on the new filter, guess they too will have to wait on the street fair.

The increase in the number of automobiles in the community does not seem to interfere with the number of buggies in use, and local merchants are selling an unprecedented number this spring.

Are your premises in a sanitary condition? If not you had better see that they are rendered so at once, both as a protection to yourself and family and to avoid a visit from the sanitary officers.

From the amount of farming machinery being hauled out of town by the farmers, one would gather the impression that the country is prosperous, the crop outlook is promising and the merchants are doing good business.

Mr. Carrier Withdraws.

Elsewhere in this issue of the Record will be found the withdrawal of Mr. W. S. Carrier from the race for the nomination for sheriff of Garrard county. The withdrawal of this clever gentleman and splendid democrat will prove a disappointment to his many friends throughout the county, who have considered him a winner.

Plants, Plants, Plants.

Variety Tomato and Sweet Potato Plants, for sale. Phone 212. Mrs. George Smith, Sr.

Brass Meeks and Milam Reel.

Lost between Floyd mill and Danville, return to this office and receive \$5.00 reward. 5-2-31

Head Aches Forgotten.

Eye Strain headaches relieved, Byrne's Scientific System of Eyeglass fitting does the work. Office over Stormes Drug store.

Mr. Walker Improving.

Hon. Green Clay Walker, of Lancaster, was in town yesterday. Mr. Walker was for several years editor of the Central Record and got out a rattling good paper. We are pleased to note a marked improvement in his health. — Messenger.

L & N Trains Change Time.

L & N train No. 10 for Maysville and Cincinnati, which has been due at Lancaster at 5:14 a. m. changed its time on last Monday morning and is now due here at 5 a. m., and No. 9 returning reaches Lancaster at 8:42 p. m., instead of 8:45 p. m. as heretofore. Remember the early train leaves at 5 o'clock sharp, and don't get left.

Residence Property Sold.

Hughes & Swinebroad sold to Mr. G. A. Swinebroad for the Misses Shugars of Richmond, their handsome residence on Danville street in this city, price private. The property is the old Shugars homestead and is one of the handsomest residences in Lancaster, and until recently has been occupied by Mr. Jesse C. Fox and family.

Large Verdict.

Dank Ball was given a verdict for \$6000. damages against the Evans Chemical Company is the Boyle circuit court last week. Mr. Ball while working in the mines of the above named company near Danville had his leg broken and was otherwise seriously injured which are thought to be permanent.

Second Excursion Last Sunday.

The second Sunday excursion of the season was run to Cincinnati on last Sunday morning and carried with it a goodly number of people from the town and counties, for whom the conditions in the flood district seems to have no terrors. We like to see all of our citizens, both black and white do the best possible for themselves, but we do greatly deplore the scarcity of labor occasioned in the community by the perennial excursions of these summer tourists.

Confederate Pensions Upheld.

Judge Stout in the Franklin circuit court last week in a case from that county decided in favor of the granting of pensions to Confederate soldiers and held that the treasurer should issue check to them in accordance with the law enacted by the last legislature; an appeal was prayed and granted and the case will be immediately taken to the court of appeals, which is the court of last resort in the case. When this tribunal passes upon the case, the old Confederate soldiers will know whether or not they are to receive their pensions, to which some have been looking forward to so eagerly.

Good Performers.

One of the features of Littlejohn's United Shows at the ball park this week is the Country Circus. Joe Clemmons, the contortionist, known as the boneless wonder, bends his body in all shapes imaginable and has puzzled the greatest scientists of the world. Another feature act of this Circus is the Moore children, the undisputed champion trick and fancy roller skaters of the world. They are the only children in the world who have mastered the art of performing on unicycles twenty inches high; one under each foot, defying all known laws of gravitation. Don't fail to see these performers at the Country Circus.

The Carnival.

The Littlejohn Carnival Co. is making its second appearance in Lancaster this week and is enjoying an immense business. The shows are very much improved over last year, and several interesting attractions have been added. Two free attractions each afternoon, the high dive and a balloon ascension draws large crowds, and the majority of the people visit the various attractions before leaving the lot.

Mr. Littlejohn is very popular in Lancaster and the people are always glad to see him bring his attractions here, and feel satisfied that he will offer nothing but high class moral entertainments, which it is perfectly safe for the most fastidious to visit without fear of seeing or hearing aught that could offend.

Card Of Withdrawal.

I have for some time been an announced candidate for the democratic nomination for the office of Sheriff of Garrard county, and have received much encouragement at the hands of the citizens of the county, for which I am deeply grateful. However, as the time for the Primary Election draws nigh I find that my business affairs have assumed such an attitude as to prevent me from making such a thorough canvass of the county as would be necessary to assure success, and I have therefore decided to withdraw from the race.

I have been heretofore honored with a public office by the good people of Garrard county, and for this I wish to extend my sincere thanks, as well as for the many promises I have had of support for the nomination for sheriff, and to assure the citizens who have proven so loyal to me that I shall ever remember their kindness with gratitude. Very truly, W. S. Carrier.

Sidewalk Building Delayed.

Many contracts have been let for the putting down of concrete walks about town, but the most of them will not begin until next week because of the Street Fair being here this week.

Mr. Albert Loos Ill.

Mr. Albert Loos a well to do farmer and good citizen of the Hubble neighborhood in Lincoln county was taken to High Oaks Sanitarium at Lexington on Monday. Mr. Loos was suffering with a nervous ailment which his physician thought might be relieved by a short stay at the sanitarium.

Local Man Wins Prize.

Mr. J. S. Sealf the local agent for the Singer Sewing Machine Co. showed us a handsome gold watch which was presented to him by his company for the best business done and the best collections made during the month of March of this year, he winning over a number of other agents. The watch is a handsome one and is valued at about \$30.

Charley Yater Painfully Injured.

Charley, the eighteen year old son of Mr. Henry Yater who lives near McCree, was painfully injured by the accidental discharge of a small rifle in the hands of a young son of Mr. James Naylor. Young Yater was shooting at a lizard which was crawling on a stump and when he failed to hit it, laid down his gun and attempted to catch the lizard; the ten year old Naylor boy who was with him picked up the gun and in some manner it was discharged, the ball striking young Yater in the right hand and ranging upward toward the wrist. He was brought to town and Dr. Burnett made an unsuccessful probe for the bullet. The wound while a very painful one, is not considered dangerous. No blame attaches to the young Naylor boy for the deplorable accident.

Many Losses.

Insurance is worthy of great consideration, and should be given to an agent who studies carefully the proposition, watches and works to the interest of the assured. In any kind of insurance, the whole time and attention of a live representative is necessary, it is just as important as any other line of business, with all due respects to "side line acts" this has been closely demonstrated by the many losses which one agent has had in the last few weeks. This agent represents a full line of Insurance and constantly giving the people his entire time and attention. This applies to Mr. E. C. Gaines who has adjusted lately, promptly and without one cent discount the following losses. R. C. Schouler, Jas. H. Turner, Jephtha Onstott, C. A. Robinson, Mrs. Emma Daniel, A. P. Sloan, J. S. Clark, Ed Clark, W. B. Blanks, T. and D. Rankin, F. D. Gaines, J. W. Sweezy, Arch Stevens, W. M. Hendren, Mrs. B. F. Walter Allie Sanders and Garrard Co. court.

House.

Mr. John House a well known citizen of the county died at the home of his son Albert House on the New Danville pike at 6 o'clock on last Saturday afternoon and his remains were interred in the Lancaster cemetery at 2:30 o'clock Sunday afternoon. Mr. House has been a long sufferer from a complication of diseases and for the last few months his death has been expected almost momentarily.

Mr. House was born and raised in Garrard county and was nearing his seventy sixth milestone at the time of his death. He was a kindly hearted man, a good friend and neighbor and had a great number of friends throughout the county who will mourn his loss. He is survived by two brothers, Mr. Thomas House of this county and James House of Missouri, both of whom are his elders, and by one sister, Mrs. Taylor Hicks who resides in Colorado. The following children also survive him: Messrs Hunter, Malcom G. Jordan, Cleveland, Albert and George, and two daughters, Mrs. Silas Case and Mrs. Thomas McMillan.

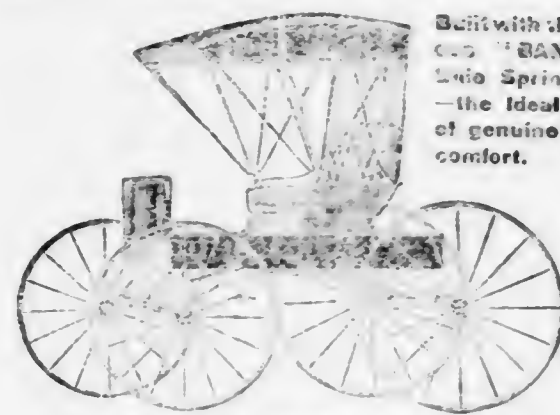

Stock Law To Be Enforced.

Many of our citizens have beautiful lawns, lawns which are not fenced and in which they take great pride. It is to say the least annoying to awake some morning and find that some stray cow or hog has spent the night on your premises much to the detriment of those beautiful lawns.

There is a law prohibiting the running at large of stock on the streets of Lancaster, and any stock caught loose will be impounded and the owner will be compelled to pay a fee to have them released.

If you are annoyed by stray stock, telephone to the Chief of Police and he will look after the annoyance, or a better and quicker way, get a small boy to drive the roving annoyance to the city stry pen and call upon the Chief of Police, who will pay him twenty five cents, which is one half of the impounding fee, and which comes off of the owner of the stock, for his trouble. There is a comparatively small amount of stock roaming at large, but it takes only one hungry cow or a pair of rooters to destroy in one night a lawn which has cost its owner many weeks of time and trouble to say nothing of the expense, and when he finds it destroyed, he is naturally in no amiable spirit.

THE KING OF EASY RIDERS

"BANNER" BUGGY No. 65

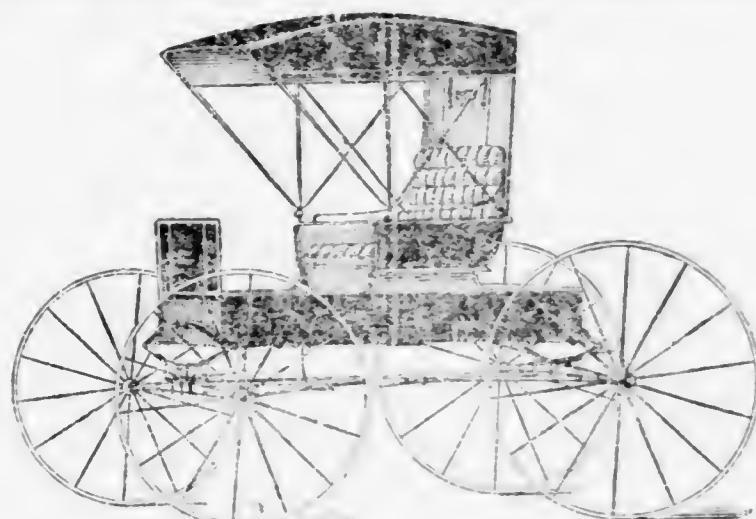

Come in! Let us show you this buggy. It's upholstered with genuine leather and made with genuine leather quarter top, with hardwood frame body and bones, split hickory wheels. For comfortable, easy riding qualities, this buggy is without an equal on the market.

HOUGHTON CARTS

 MISS JENNIE HIGGINS.

For Magistrate.
 1st District.
 JOHN N. WHITE.
 WALTON E. MOSS.
 SHIPTON H. ESTES.
 DAVIS SUTTON.
 2nd District.
 CHARLES C. BECKER.
 TAYLOR T. BURDETT.
 LOGAN ISON.

We are authorized to announce the
 following candidates for city offices.

For Police Judge.
 E. W. HARRIS.
 J. P. PRATHER.

The Republicans and Progressives in
 this county are unable to reconcile
 their differences. Each organization is
 striving to impress those who formerly
 affiliated with the old Republican party
 that its organization will weather the
 storm of dissension and will be the
 contending opponent to the Democratic
 party.

The Progressives seem to be most
 active and promise to have a full ticket
 in the field. The leaders of both or-
 ganizations conceded that a failure to
 have a ticket would probably result in
 the absorbing of its members by the
 other should that party fail to be
 in the fight. The progressives propose
 to have the best men that can be found
 in its organization, candidates for Jus-
 tice of the Peace in the four districts
 in this county.

This is unquestionably a wise move.
 Should the new party succeed in having
 four such men that will merit the con-
 fidence of the people for this important
 branch of the county government the
 Progressives may make our Democratic
 brethren take notice when November
 comes around. It is pretty generally
 conceded that the Progressives will
 elect the members of the Fiscal Court
 in two of the four districts and should
 this new party capture one of the other
 districts it would have control of the
 Fiscal Court. It behooves the Demo-
 cratic party to see to it that its nomi-
 nees for Justice of the Peace in all the
 four districts are men who can carry
 the strength of the party in November.
 Men to whom the taxpayers are willing
 to trust the management of the busi-
 ness affairs of the county.

It is provided that a voting precinct
 shall contain not exceeding three hun-
 dred voters. Attention of the county
 court has been directed to the fact that
 several precincts as now laid off in this
 county contain many more than that
 number.

Although a small vote was polled at
 the last election 425 votes were reported
 from one of the larger precincts.
 Should the women exercise the privi-
 lege granted to them by the last Gen-
 eral Assembly and participate in the
 election of Superintendent of Schools
 the number of voters would be almost
 doubled in each precinct. The County
 Judge is therefore right in his plan to
 reorganize the precincts and so arrange

the boundary that no precinct will have
 more than the number of voters as di-
 rected by law.

It is important that every legal voter
 be permitted to participate in the elec-
 tion. With separate ballots for the
 candidates for School Superintendent
 and women voting in that election, and
 with the city election all held by the
 regular officers of the election, it is
 quite probable that the officers would
 be unable to record the vote in the time
 allotted.

The court will likely create one or
 more new precincts at the May Term
 of court and rearrange the boundary of
 the other precincts.

It may be found necessary to create
 a new Justice district after the voting
 precincts are changed. However, this
 will be later considered.

Notwithstanding the fact that
 Secretary William Jennings Bryan
 made a trip across the continent to far
 off California to use his good offices in
 an effort to prevent the legislature of
 that state from enacting into law the
 Anti-Asian Land Ownership Bill, both
 branches of the body passed the bill in
 a very short time after hearing Mr.
 Bryan. Gov. Johnson will not sign the
 bill however, until Mr. Bryan has had
 time to get back to Washington and
 confer with President Wilson in regard
 to the matter. Gov. Johnson has ten
 days in which to sign or veto the bill,
 but has expressed his intention of wait-
 ing a reasonable length of time upon
 any action the authorities at Washington
 may desire to take, but it is thought
 that he will eventually sign the
 measure.

**Attention Candidates Should You Fail To
 Observe The Following Provisions
 Of The Election Law, Your Name
 Will Not Appear Upon The
 Ballots At The August
 Primary Election.**

We publish the following extracts
 from the election laws, together with
 the number of votes cast for the vari-
 ous electors at the recent presidential
 election for the benefit and guidance
 of candidates who wish to circulate
 petitions to have their names ap-
 pear upon the ballots at the coming
 August primary. Petitions may be
 had upon application to County Clerk
 J. W. Hamilton and the payment of
 fifty cents. These petitions contain a
 full and complete copy of the election
 law, and it would be well for every
 candidate to read it carefully before
 circulating his petition.

Along with this petition each can-
 didate must file a nominating petition
 signed by electors of his city, county
 or district each of whom must declare
 intention to support the candidate for
 whom they sign, and none of whom
 shall sign any other such paper for
 another seeking the same office. In
 addition to his name each signer must
 give the location of his residence—
 street number if it be in a city—and
 the date of signing.

No person can sign the nominating
 political party other than that of
 which the signer is a member, that is
 to say, any man who is registered as a
 Progressive, or who is known to have
 voted as a Progressive, cannot sign the
 petition of a Republican or a Democrat
 or vice versa.

Candidates for county offices can se-
 cure names from any precinct they
 wish, or all from one precinct, but
 names from each precinct must ap-
 pear on separate sheets, with the
 name of the precinct at the top of
 the sheet.

Candidates for office should be cer-
 tain to secure over three per cent of
 their party vote in the last presiden-
 tial election. Otherwise their peti-
 tions will be thrown out. More than
 ten per cent is equally as fatal as less
 than three per cent.

Every candidate from Judge to Con-
 stable will have to have a nominating
 petition.

The petitions necessary under the op-
 erations of the new State primary for
 candidates seeking party nominations,
 may be circulated on and after May 5,
 and must be filed with the County
 Clerk not later than July 5. Any nomi-
 nating petition circulated by a can-
 didate before May 5 will be worthless
 and disqualify him from getting on the
 primary ballots. Candidates for county
 office are required to have on their
 petitions the signatures of no less than
 3 per cent, and not an excess of 10 per
 cent of the votes of the party in which
 they seek the nominations.

This is based on the vote for party
 candidates for President at the last
 regular election, which was in Novem-
 ber.

As Woodrow Wilson received 1222
 votes in Garrard county candidates to
 get on the Democratic ballot must
 have not less than 37 and not more
 than 123 names to each petition.

As the vote for Mr. Taft was 481 to
 get on the Republican ballot the can-
 didates must have not less than 14 nor
 more than 48 names to each petition.

Teddy Roosevelt received 1054 in
 this county, and the candidates to get
 on the Progressive or "Bull Moose"
 ticket must have not less than 32 nor
 more than 105.

The primary election law says that
 no candidate can get his name upon
 the ballot of his party until he has
 filed his petition, stating the office for
 which he is a candidate, his name, age,
 postoffice address, political affiliations
 and all other legal qualifications, and
 pledging himself, if nominated, not to
 withdraw, and, if elected, to qualify
 for the office.

In The Toils.

Chief Herron and his deputy Ernest
 Hibbard, with the assistance of Claude
 Prewitt as chief detective are seeing
 to it that the best of order is preserved
 at the Carnival. Rolla Simpson a young
 white man made his appearance at the
 grounds on Monday evening in an in-
 toxicated condition, he was taken from
 the grounds and given an opportunity
 to go home, but he returned and was
 promptly jailed and Judge Harris fined
 him \$5 and costs.

Robert Gibbs colored, "pinted" a
 pistol at Harrison Anderson also col-
 ored, \$25, and costs for carrying conceal-
 ed weapons. Robert is in jail.

Roy Carrier a white man from near
 Hubble fell a prey to one of Chief Her-
 ron's snares and was caught selling a
 quart of whiskey, and confessed, he
 was given a fine of \$60, and costs, and
 he also is in jail.

Lancaster is not the place for the
 evil doer, nor is carnival week the time
 for their operations; the local lodge of
 Odd Fellows and Manager Littlejohn
 are giving Chief Herron every assist-
 ance, and it is proposed to maintain
 the best of order throughout the week.

**Live Stock In Garrard County In
 Remarkably Good Condition.**

Live stock in Garrard county of all
 description is in remarkably good
 condition, and entirely free from
 disease, but going upon the theory that
 "an ounce of preventative is better
 than a pound of cure", the farmers and
 stockmen are using every precaution,
 precaution born of experience, to
 maintain the healthy condition of their
 animals.

Cattle and horses having been provid-
 ed with first class provender during the
 past winter, have emerged from the
 winter in good condition and the
 splendid spring grass is rapidly rounding
 them out into fat sleek animals, ready
 for the farm work and the market.

Sheep and lambs are also in splendid
 condition, scabies was never prevalent
 to any great extent, is now thoroughly
 eradicated, and foot rot, which is mak-
 ing its appearance and threatening to
 become a menace in some parts of the
 state is entirely absent from this
 county, however, County Live Stock
 Inspector Col. A. D. Leavell, strongly
 advises that every farmer dip his sheep
 thoroughly as against future
 contingencies. The state quarantine
 which has been maintained on sheep
 for the past two and one half years,
 was raised the first of this month, as
 through the splendid efforts of the state
 live stock officers, with the cooperation
 of the county officers and the farmers
 themselves, scabies has been thoroughly
 eradicated, and Kentucky flocks may
 now be driven on the public highways
 or shipped from the state without the
 formality of securing a certificate to
 accompany them.

Many farmers are making generous
 additions to their droves of hogs, as
 the recent high prices have seriously
 depleted them, and as a matter of
 precaution, many of them are having
 all of their hogs vaccinated, both those
 which they have had on hand and those
 which they add to the drove. This is
 indeed a wise move, as it has been
 proven that vaccination wards off
 cholera and the cost is trivial when
 compared with the loss occasioned to a
 drove of hogs from the ravages of
 cholera.

In neighboring counties we hear of
 horses suffering with what has been
 diagnosed as "Black tongue", but as
 yet this disease, which is in a very
 malignant form, very contagious as
 well as infectious, has not made its
 appearance here, but hundreds of
 horses are being vaccinated as a
 precaution against it.

The veterinarians are very busy with
 all of his vaccinating, but it is money
 well spent, and every owner of live
 stock should see that his stock is
 immuned against the various forms of
 disease which is sweeping the country.

Clean stables and sleeping quarters
 are advised, as well as the liberal use
 of disinfectants, lime, whitewash etc.
 as well as airy well ventilated sleeping
 quarters and clean wholesome food.

With a careful observance of the
 above rules of hygiene for stock and
 the use of the various preventative
 advised and prescribed by those who
 know, it is hoped and expected that
 Garrard county may be kept free from
 the various diseases which are proving
 so disastrous to our neighbors.

Notice.

I have been instructed to make a
 careful survey of the town and investi-
 gate as to the sanitary condition of the
 streets, alleys and private property of
 the citizens. This I have done and am
 now ready to report the result of my
 investigation.

In the majority of cases I find the
 streets alleys and private property in
 good sanitary condition, but like all
 rules, there are exceptions. In some
 localities I find hogs in pens which is
 strictly against the law as they are re-
 quired to be removed from the city
 limits by May 1st. I also find several
 privies in bad condition and which
 should have immediate attention.

I am being held strictly accountable
 for the sanitary condition of the town
 and I must follow my instructions,
 those whose property is in the condition
 alluded to above are fully cognizant of
 the fact, and I hope they will remedy
 it at once, as we are expecting a visit
 from an officer of the State Board of
 Health any day, and we wish him to
 find our town in good condition.

Anyone having garbage to be dispos-
 ed of, if they will place it in a recept-
 acle outside their premises and readily
 accessible, and notify me, I will have
 it called for and carted away without
 cost. It L. E. Herron, M. C. L.

Will Be Established Soon.

A Lancaster gentleman is in receipt
 of a letter from an official of the L & N
 R. R. in which he says that it had been
 intended to put into effect the proposed
 changes in the L & N trains on this
 division on May 15th, but because of the
 making of some physical connections at
 Winchester, which would of a necessity
 delay the trains, it has been decided to
 defer the change until these changes
 are made, but that the changes will
 surely be made in the near future.

Valuable Information.

We are devoting considerable space
 in this issue of the Record for the bene-
 fit of the candidates who are to circu-
 late petitions to have their names placed
 upon the ballots at the coming August
 primary election. This information is
 compiled from information secured
 from the law itself and from other
 authentic sources, and is approximately
 correct, but as a newspaper, like all
 people, is not infallible, and we would
 advise each and every candidate to read
 carefully the law which is given in full
 upon the back of the petitions, and to
 acquaint himself thoroughly with it,
 and in order that he may make no mis-
 take that might prove detrimental to
 his interests. We also publish the con-
 struction placed upon the law by At-
 torney General James Garnett, which
 will prove of interest to the candidates
 themselves and also to all persons in-
 terested in the coming primary, the
 first one to be held under the new law.

**Lancaster Death Rate As Reported In
 Daily Papers Deters People From
 Purchasing Property And Be-
 coming Citizens Here.**

A gentleman who has recently pur-
 chased valuable property in Lancaster
 and who will soon become a citizen of
 the community, informs the Record
 that he had about persuaded a wealthy
 friend of his to come to Garrard to
 locate, and just about convinced him
 that it was the best place on earth to
 live, but on seeing him a few days lat-
 er, to his surprise he was informed
 that he had abandoned the idea. Upon
 inquiring the cause, he was informed
 that the death rate was too high in
 this locality for him to think of locat-
 ing here; upon being further question-
 ed the information was elicited that
 the prospective citizen upon scanning
 the daily papers and seeing the number
 of deaths appearing under a Lancaster
 date line, reached the conclusion that
 there were more deaths "in the vicinity
 of Lancaster" than any where else in
 the world.

We will admit that such an impres-
 sion has gained circulation, but we most
 emphatically deny that such is the case.
 The daily press nearly every day chroni-
 cles happenings under a Lancaster date
 line as taking place "near Lancaster",
 when in fact the happening occurred in
 some neighboring county, perhaps over
 fifty miles from Lancaster, and the
 circumstances and persons mentioned
 are wholly unknown to Lancaster and
 Garrard county people.

We are exceedingly sorry that such
 an impression should reach the outside
 world, when there is so little of truth
 in it. There is not a healthier country
 in the world than Garrard county, and
 the mortality is far below the average
 in this county, and we sincerely wish
 that this article could be as widely cir-
 culated as some of the articles to the
 contrary which are daily perused by
 the reading public, often, as was the
 case in this instance, to the detriment
 of the county.

Metcalf.

Mr. Adrian Metcalf Sr. one of the
 good old citizens of the Paint Lick vi-
 cinity died at his home on White Lick
 creek on last Sunday morning of the
 infirmities of age. Mr. Metcalf at
 the time of his death was near 97 years
 of age, and was beyond question the
 oldest person in the county. His re-
 mains were interred in the cemetery at
 Manse on Monday. He was born in
 West Virginia but came to Kentucky
 in his youth and settled in the eastern
 part of the state, where he married
 and afterward emigrated to this county.
 Mr. Metcalf comes of English parent-
 age and has made several trips to Lon-
 don Eng., the home of his forefathers.
 He is survived by his wife and several
 sons and one daughter, among the sons
 being Mr. James Metcalf of Paint
 Lick and Dr. Metcalf of Indiana, and
 Mr. Isaiah Metcalf of this county.
 Mr. Adrian Metcalf ranked among
 the most highly respected citizens of
 upper Garrard. Upright and honorable
 in his dealings with his fellow men and
 a conscientious, christian old gentle-
 man.

Horrors.

The county Clerk's office shows that
 not a single marriage license has been
 issued for almost a month, something
 unheard of, and why it is Clerk Boone
 is unable to tell. April 15th is the
 last date on which a license was issued
 and heretofore Clark county brides

Y. M. C. A. PROGRESS

Years Report Shows Great Growth.
 During the past year there were
 125,000 men and boys in Bible classes
 of the Y. M. C. A. and the attendance
 at all religious services was 5,313,718.
 There were 66,600 enrolled at night
 educational classes and 300,000 in phys-
 ical training. The membership is now
 566,100. The Association is working
 among the men of the packing houses,
 foundries, shops and factories, among
 boys working in mines, cotton mills,
 stores and in messenger service; among
 students in college and 100,000 high
 school boys; among the million railroad
 men; among soldiers and sailors; among
 lumbermen, the country boys, the im-
 migrants as they sail, land and reach a
 thousand points; among construction
 gangs pioneering railroads and building
 bridges; among colored men and the
 Indians; among the men of the great
 teaming cities of the far East, as well
 as in North and South America. It has
 found means, methods and the message
 to reach them all.

The Womans Club

How New York Runs Its Spring Clean-up.

From the Norfolk Health Bulletin we learn that Commissioner Lederer has been given a special appropriation of \$100,000 for a spring clean-up. The plan to be pursued is published in the New York City Health Bulletin. The Commissioner's plan is to clean up the city by taking away the trash that is piled up in the streets.

"It is a well-established fact that what may be called the general clean-up of any municipality when conducted in a systematic manner and with a scope sufficient to accomplish its purpose thoroughly, has always resulted in a reduction in the mortality in the ensuing year."

"The experience of the Federal Government has shown that the rate of reduction has been in direct proportion to the amount of general sanitary work performed."

"The present movement, inaugurated by the department, has a triple motive. Not only does the department seek to remove all waste material which, by its very presence may be detrimental to the general health, but it also endeavors to eliminate as far as possible breeding places of flies and other insects which harbor and transmit disease. In the third place, it is hoped that the results obtained this spring will prove so beneficial that the movement for a clean city may become an established custom."

The New York plan began with an inspection of the city, a survey made by sixteen inspectors, to find existing conditions, that the work may be properly directed. Most important of all, in their opinion, is the cooperation of the individual citizen.

To bring about the cooperation of the individual, lectures are given in churches and schools, before clubs and societies, everywhere that opportunity is found. The newspapers publish city cleaning news. Leaflets are distributed in schools and wherever else people congregate.

HOW DANVILLE RUNS ITS SPRING CLEAN-UP.

The annual clean-up day was well observed yesterday and many wagon loads of trash were hauled out of the city. Property owners responded very well and had the trash in barrels ready for the hauling. The next and really most important step to be taken, is that of keeping the premises clean. Nothing is more disgusting than a yard filled with rubbish and trash. As the saying goes, "It doesn't if you can't be respectable."

We hope soon to give a complimentary notice of how Lancaster conducts its Spring cleaning, but we will have to wait until the hogs have been moved out of town, and until some sanitary conditions have been made. Our town needs not only education and cooperation but inspection.

Every right-minded individual in the community will admit that in addition to his duties in regard to the preservation of his own health and that of his family, his responsibility involves doing what he can to protect the health of his neighbors, and that, in this connection, he should not permit refuse or filth to collect in his home or in his place of business. In addition the moral effect of collections of waste and filth upon the individual himself is bad, and where filth is allowed to accumulate, other defects in sanitary methods are usually to be found.

The nineteenth annual convention of the Kentucky Federation of Women's Clubs will meet at Middlesboro June 10 to 13, and a call has been issued throughout the state to the club women notifying them that Middlesboro has made delightful arrangements for the comfort and entertainment of their guests. Among the honor guests to be at the June meeting are Mrs. Percy V. Pennybacker, of Austin, Texas, the President of the General Federation, and Mrs. Samuel B. Sneath, of Tiffin, Ohio, the Second Vice-President of the General Federation. Kentucky has been placed by the General Federation under special supervision of Mrs. Sneath in an advisory way. The chairman of the departments of work have prepared most interesting programs; good speakers, stereopticon lectures, and discussions, etc. Among the speakers on this occasion will be Mrs. Pennybacker, "Some Dangers That Threaten the American Home," Mrs. Sneath, "The General Federation," Mr. John Earle Barton, State Forester, Miss Christian, "Household Economics," Mr. Newman, the Commissioner of Agriculture, "Co-operation of Household Economics With His Department," Dr. J. S. Locke, "Public Health," Miss Butler, "Health in the Mountains," Miss Mervin, "Blind Children," Hon. A. O. Stanley, "Waterways." Other speakers on subjects of interest will be Miss Laura Clay, Mrs. Doshia Breckinridge, Mrs. Mason Maury, Miss Bell Bennett and others. The officers to be elected this year are Presidents, First and Second Vice-President, Corresponding Secretary and Federation Secretary. The Middlesboro Hotel has been selected for headquarters.

Mr. William Elmore, Sr., aged 39 years, died last Thursday morning at 2 o'clock, after a long illness. He was the only son of Mrs. Harriet Foley by a former marriage, his father, the late Shap Elmore, dying many years ago. The deceased was a good, kind-hearted neighbor and one of the most honest men it was ever our pleasure to know, and straight forward in all his dealings whether large or small. The time or occasion had only to present itself and William Elmore was always ready to render a friend any service in his power or to strangle anything reasonable in the way of help or accommodation. The remains were taken to the Baptist church on Friday morning where a funeral service was conducted by Rev. J. E. Roberts, pastor of the M. E. church and Rev. Wm. McC. Hutchins, after which all that was mortal was followed by a large and sorrowing concourse of friends and relatives to a resting place in the Preachersville burying ground, there to await the Resurrection Morn. He is survived by his mother, Mrs. Harriet Foley and his sisters, Mrs. J. B. Hutchins of this place, and Mrs. Bascom Archer, of Williamsburg. May He who stilled the troubled wave on Galilee, speak words of comfort to those bereft.

BUCKEYE.

Robert Long is very ill at his home here.

Born to the wife of Handy Kurtz, a daughter, April 21st.

Mr. and Mrs. Robert Carter attended the funeral of the latter's grand-father, Mr. Metcalf at Paint Lick Monday.

Mr. and Mrs. Ed Simpson have returned from California where they had spent the winter.

Miss Lucinda Carter has returned home after a pleasant visit with her aunt, Mrs. Arthur Roney at Loyd.

Rev. Dawson of Madison Co. filled the pulpit at the Methodist church Sunday afternoon. The dedication of the church which was announced for the first Sunday in June has been postponed until some indefinite time.

Mrs. Donaldson Jones died at her home near here May 2nd, after a lingering illness of tuberculosis. She was a native of Madison Co. and was thirty-seven years of age. Sympathy of the entire community went out to the grief-stricken husband and one son. The remains were interred in the Buckeye cemetery.

BRANTSVILLE

Mr. "Billy" King went Thursday in Lexington.

Mr. and Mrs. J. C. Williams spent Monday in Harrodsburg.

Mrs. Elizabeth Burgess was in Louisville a few days last week.

Mrs. James Rankin entertained a number of her friends at dinner Sunday.

Mrs. Joe Haselden and daughter of Danville spent Sunday with Mrs. K. K. Scapp.

Mr. Levi Norris was in Danville this week to see her cousin, Hankins who has been quite ill.

Mr. Chalmers Gallaher was over from Lexington Sunday to see his son, Master John Gallaher.

Mrs. Sallie B. Welch has returned home from a visit to her daughter, Mrs. Sam Deatherage at Richmond.

Miss Eliza Ison and Mrs. Fanny Bryant were in Lancaster for a short visit with relatives last week.

Mr. Henry Tomlinson is having a concrete porch made which will be quite an addition to his residence.

Mr. and Mrs. Hogan Ballard and Miss Mayme Lee Ballard spent Thursday and Friday in Lexington with relatives.

Mr. Farris, the State Bank Examiner, was here one day last week and reported the bank of Brantsville to be in a splendid condition.

PREACHERSVILLE.

Quite a crowd spent Monday fishing in the "Big Pond".

The measles patients are about all well but are doing a lot of coughing.

Born to Mr. and Mrs. P. Faulkner Kennedy, a fine son, Harmon Walker.

Misses Carrie Naylor and Gertrude Adams visited Miss Ella Blankenship Sunday.

The B. Y. P. V. and the Baptist prayer meeting held services last Sunday evening.

Rev. J. E. Roberts pastor of the M. E. church will preach Sunday and Sunday night next.

Mrs. S. N. Gill and daughter, Miss Annie visited Mrs. Osa Naylor and family last week.

Mr. J. F. Pettus and family of Springfield, visited his mother, Mrs. Rebecca Pettus and family.

Mrs. Silas Anderson who suffered a severe injury by a fall at the home of her son John B. Anderson is much better.

Mrs. Wm. Sparkles and daughter, Mrs. Carrie Hargis, of Shelby City, visited Mr. and Mrs. Logan Thompson last week.

Mrs. Rebecca Pettus and family, Mr. and Mrs. Joe Pettus and Mrs. William Pettus were guests Sunday of Mr. and Mrs. B. D. Holtzel.

Misses Gracie Anderson and Ruby Parrish went to Stanford last Sunday afternoon with Miss Carrie Anderson who is attending school there. They visited friends and relatives while there.

Mr. and Mrs. William Pettus of West Va., were visiting his relatives in this section. Mr. Pettus was formerly a knight of the wire and a good one, but now is interested in some good coal mining operations in the war horn State.

Mr. William Elmore, Sr., aged 39 years, died last Thursday morning at 2 o'clock, after a long illness. He was the only son of Mrs. Harriet Foley by a former marriage, his father, the late Shap Elmore, dying many years ago. The deceased was a good, kind-hearted neighbor and one of the most honest men it was ever our pleasure to know, and straight forward in all his dealings whether large or small. Stamping Out And Controlling Infectious And Contagious Diseases Of Animals In Kentucky.

The great work being done by the State Veterinarian, backed by the State and national authorities, in controlling and checking infectious diseases of animals is gaining prominence and encouragement from the stock owners. They are demanding assistance in wiping out diseases, and are ever ready to take all precautions necessary to avoid the introduction of disease into their herds. The stock owner is realizing that infectious diseases may be diagnosed, restrained, prevented and even eradicated by the intelligent use of reliable biological laboratory products, such as vaccines, bacterins, sera, toxins and antitoxins, and his understanding of these products, together with their proper application, has convinced him. Where is the stock man who would question the reliability of black leg vaccine to save his herd from black leg? This vaccine is used more than all others combined, and saves many young herds from complete destruction in black leg season.

The shippers of horses and mules are using bacterins and antitoxins on their horses and mules to prevent catarrh fever or influenza, and they are lowering the mortality due to diseases incident to shipping. This is a wonderful preventive and has cut the mortality in the St. Louis stock yards to 2 per cent, where before its universal use the loss was from 15 to 20 per cent.

The use of anti-hog cholera serum has established itself with the swine breeders. The loss from this disease alone would cover the deficit in the State Treasury. The demand for this serum is about four times the capacity of the Experiment Station laboratory to produce it. In the past three years, qualified men have vaccinated 20,000 hogs for Kentucky farmers at a nominal price. This work has necessitated from one to five experts in the field, whose services have been free to the owners, their expenses having been paid by the Experiment Station. This work of stamping out cholera has saved farmers large sums of money, and, in order to make it available to every swine owner, the qualified veterinarians are being commissioned to administer serum in their respective territories. The Serum is furnished by the Experiment Station at a figure below the cost of production.

The eradication of bovine tuberculosis is making headway. Many towns realize this source of danger and have sanitary codes that necessitate the tuberculin testing of all dairy cattle supplying milk for human consumption. This was first inaugurated by the State Board of Health, and the dairymen and cattle owners now realize the importance of having their herds free from tuberculosis.

The law allows no indemnity for diseased cattle, and the problem of eradication is purely a public health and a public spirited problem. The owners are to be commended for the manner in which they have cleansed their herds of this disease.

The United States Bureau of Animal Industry recognizes this fact, and to foster and encourage the eradication of tuberculosis from the herds, has extended the services of experts, free to cattle owners, through the efforts of the State Board of Health and the Live Stock Sanitary Board. While the city of Lexington can rightly boast of a low bacterial count in their city milk supply, we must not overlook the dairies at Paducah, where every animal furnishing milk to consumers in that city was tuberculin tested for the owners, free of charge, by Government men. A total of approximately 1,500 dairy cows were tested, and all diseased, as shown by the test, were slaughtered before the public and owners, and every animal condemned proved on post mortem to be diseased. Such work can not help but have a great influence on all cattle owners and make them realize the importance of keeping healthy cattle in their dairies. The dairymen at Paducah deserve great credit and the consumers of that city can safely say that their milk comes from dairies that are carefully and honestly operated by progressive and far-seeing owners. May their influence be spread to every town in Kentucky, and reach every consumer and every producer, until it can be honestly said that there is not a cow in the dairies of Kentucky, supplying milk for human food, that has tuberculosis. The milk consumers must realize that the milk supply must be free from disease and from cattle that have been tuberculin tested.

CATARRH GOES. Snuffles And Hawking Cease.

The best nose and throat specialists in the world advise their patients - to breathe Eucalyptus to destroy Catarrh germs and heal the sore, raw spots. Booth's HYOMEI is Australian Eucalyptus combined with Thymol, and some Listerian antiseptics. Breathe it through the little pocket inhaler, and in vapor form as directed, and this antiseptic balsam will surely destroy all germ life and all Catarrh misery.

It's guaranteed for Catarrh, Coughs, Cold and Croup; it relieves stuffed-up head in 5 minutes and refreshes the entire nasal tract. Complete outfit with directions for use \$1.00. If you own a HYOMEI inhaler get a bottle of Booth's HYOMEI for 50 cents at R. E. McRoberts and druggists everywhere. Just breathe it—no stomach dosing.

DECIDE YOURSELF The Opportunity Is Here, Backed By Lancaster Testimony.

Don't take our word for it.
Don't depend on a stranger's statement.
Read Lancaster endorsement.
Read the statements of Lancaster citizens.

And decide for yourself.
Here is one case of it:
Mrs. B. F. Walter, Hill St., Lancaster, Ky., says: "I never fail to praise Doan's Kidney Pills when I have the opportunity, as they are certainly a fine remedy. I have not been without a supply in the house for years. Whenever my back becomes lame and painful, a few doses bring me instant relief. At one time I feared that I had serious kidney trouble. The kidney secretions were unnatural and gave unmistakable evidence of disordered kidneys. At that time it was my good fortune to hear of Doan's Kidney Pills and I began using them. In a short time my kidneys were normal."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

House Cleaning, Town Cleaning.

In one of his very interesting essays, Benjamin Franklin, of kite fame, describes at some length the passion that American women have for house cleaning and the resulting discomfort to the various members of the family as they find their belongings displaced and they themselves without a settled habitation. Yet house cleaning time is necessary, and the results are wholesome and conducive to family welfare.

The American woman has now extended her sphere of influence so that it embraces not only the home but the town. Report says that the ladies of Danville are accomplishing very desirable things in the matter of town cleaning. The ladies of Berea are not without experience in this matter and desirable results have followed their experiments. This year they are planning to do even greater things than in the past. Should not their efforts be supplemented by more visible activity on the part of the men? Are there not various streets in town that would be much more desirable for residences if trees were to be planted along the highway and about the homes? It has been clearly shown by real estate men that streets properly shaded and homes with trees about them brought an increase of rental far above all expenses incurred in the tree planting. Why should not town cleaning be supplemented by tree and shrub planting?

There is a rumor, founded on a statement that appears in other columns of our paper, of a prize for home gardens. Why should there not be prizes instituted for yards beautified by flowers and for flower gardens? There is a prize and each may have it without regard to others—the satisfaction and the joy that comes from living in a home surrounded by shrubbery and flowers.

Berea has some such homes. One is in the West End of town, with its growth of daffodils and roses in the spring, gladiolas in the summer and dahlias and other fall flowers later in the season. It is a place of beauty. They are no longer young in years who live in this home, but they are young in heart, and the beauty of their home gladdens many. There should be more such.

Your home should be of that character whether in Berea or on the mountain side. A summer's ride on a dirt road out through the woods brought us to just such a mountain home last summer—a spot of beauty buried in flowers. At once the beholder wanted to know who lived there for he knew that they were of the right sort. Plan early to clean up, then do it. Plan to beautify the home whether in town or country with flowers and enrich it with fruits and do it. Your life will be richer, happier and you will rise in the scale of living.—Berea Citizen.

Skin On Fire?

Just the mild, simple wash, the well known D.D.D. Prescription for Eczema, and the itch is gone.
A trial will prove it.
We have sold other remedies for skin trouble but none that we could guarantee as we can the D.D.D. remedy. If the first regular size \$1.00 bottle does not do exactly as we say, it will not cost you a cent.

Weak Stomachs Made Strong IN ONE WEEK

If your stomach is so weak that food won't stay down or fermentation takes place, causing gas, heaviness, and general misery, you need MI-O-NA Stomach Tablets and the sooner you get them the better for you.

R. E. McRoberts & Son knows what one 50-cent box will do for he honorably offers to return the cost if you aren't splendidly benefited.

Don't be timid about trying this great Stomach prescription. It has cured thousands of cases of chronic indigestion, gastritis, dyspepsia and catarrh of the stomach. There is no reason on earth why MI-O-NA Stomach Tablets won't make you healthy and happy.

Better Babies And More Of Them.

San Diego, Cal., April 30 "How many babies in Kentucky can qualify under the rules adopted for the 'Better Babies' exhibit at The San Diego Exposition?"

Another question is "How many mothers and fathers will be willing to have their babies judged by the same standards applied to prize animals with the single purpose of adopting some system that will produce better babies?" Eugenics has been a popular fad but in the end the term means simply "Better Babies" and this is the result sought by the proposed exhibit about which President D. C. Collier of The San Diego Exposition and Mrs. Gertrude B. Lane of New York, are in correspondence. Mrs. Lane proposes to hold a "Better Babies" contest, and is holding them, in every state in the Union. The San Diego Exposition has asked her to exhibit the results of these contests at San Diego, or to outline a plan whereby the exhibit can be made.

Following is the score-card adopted and in use which may be used at The San Diego Exposition:

BODY: Height and Weight 12; Circumference of Chest and Abdomen 8; Symmetry and Quality of Skin and Fat 9; Quality of Muscle hand grasping, rising, sitting posture, walking running, 6. Bones of Skull, Spine, Chest, Limbs and feet, 6.

HEAD: Circumference 7; Shape of Eyes 4; Shape, Size and Position of Ears 3; Shape and Size of Lips 3; Shape and Size of Forehead 4; Shape and Patency of Nose 5; Shape and Condition of Jaw, Hard Palate, Tonsils 5; Shape, Size and Condition of Teeth 5.

PSYCHOLOGICAL: Disposition 5; Energy 5; Facial and Ocular Expression 10; Attention 3.

President Collier may decide to offer a big prize for the best baby less than three years old exhibited at the exposition during the year 1915, and is awaiting Mrs. Lane's suggestions with a good deal of interest.

CHILDREN'S HAIR

Keep It Clean And Free From Disease By using PARISIAN SAGE.

If you want your children to grow up with strong sturdy and vigorous hair, teach them to use PARISIAN Sage; the world renowned Hair Tonic.

PARISIAN Sage is guaranteed by R. E. McRoberts & Son to cure dandruff and stop falling hair in two weeks. It grows new hair quickly in cases where the hair is "thinning out."

It is positively the most delightful, invigorating hair dressing on the market. It is not sticky or greasy and will make the coarsest hair soft, lustrous and luxuriant. Get a 50-cent bottle and watch how rapid its action. Gironx Mfg. Co. American Makers, Buffalo, N. Y.

Tooth Carpenters To Meet.

The annual meeting of the Kentucky State Dental Association, to be held in Lexington May 26-28, promises to be of more than usual interest to the dentists of this and neighboring States. Numerous new methods and appliances will be exhibited, and the clinics are to be conducted on a very elaborate and unique plan.

Many dentists from Ohio, Indiana, Illinois and Tennessee will be in attendance. Dentistry, unlike many professions, cannot be learned from books and magazines, consequently it is obligatory for the progressive man to attend these meetings. The Lexington dentists promise many interesting social features, and, in fact, the entire program will prove a rare treat to all in attendance.

Columbus Wagons

Are 100 Per Cent Efficient and Are
Sold On Their Merits.

WHEELS—The Hubs are of the best quality, two-year-seasoned black birch. The rims are of oak and spokes of oak or hickory. Tires are International Steel and are set hot by hydraulic pressure machines. A special feature of these Famous Columbus Wheels is the sand band, which extends well over the collar and prevents sand and grit from dropping to the bearing. This means increase durability.

So with all other parts of Columbus Wagons, Box, Box Bottom Centerboard, Boxbinder, Wear Irons, Grain Cleats, Double-trees, or Singletrees, Drop Tongue, Front Gear, all are made from the best quality materials, and go to make a Farm Wagon that has been giving satisfaction to hundreds of Blue Grass Farmers, as well as to thousands of users all over the country. Send for illustrated booklet explaining in detail all the special features of this Splendid Farm Wagon.

"Clincher" Paint

We know a paint which holds to the wood like a driven nail. Seasoned lumber is porous. The pores are the empty sap-cells. White lead paint, which dries on the wood in the form of a solid, elastic film, fastens into these pores, and the whole coat of paint is actually riveted like armor-plate to the surface it decorates and protects.

Phoenix White Lead
(Dutch Boy Painter Trade Mark.)
and Pure Linseed Oil.

make the paint that spreads into a solid body. It becomes a part of the wood itself—an outer layer that preserves the life of the lumber.

We sell it as well as other painting requisites. Come in and have a talk with us about painting.

C.C. & J.E. Stormes
Lancaster, Ky.

See that joint!

THAT patented joint has revolutionized the whole business of building silos by making it possible to construct a perfectly solid stavesilo of any desired height. When put together with a little white lead at these joints, a two-piece stave is as good as if it were made of one-piece staves, and very much less expensive. There is no metal at these joints to become corroded by the acids and no outside moisture can collect in them to rot the wood. This joint adds years to the life of your silo and many dollars to its value.

We have a plan by which you can own an Indiana Silo and let it pay for itself out of what it saves for you on next winter's feed bills. Give us a chance to explain it to you.

W. P. Kincaid,
Phone 199, Stanford, Kentucky.

**YOU CAN ALWAYS
DEPEND UPON
Mastic Paint**

"The Kind That Lasts"

THERE is no guesswork about this old reliable paint. It has made good for more than forty years. It is just Pure White Lead, Zinc Oxide, and Genuine Linseed Oil in the correct proportions which make it the best and most economical paint for you to use. It is ready for you to put right on—spreads freely, and wears for years with its color intact. Does not flatten, scale off, nor show streaks, as is the case with inferior paint. It is your property's one best friend—adds years to its life, enhances its value, and makes it attractive. Ask us to tell you more about it.

FREE Ask for handsome illustrated book on "Homes and How To Paint Them," also color card.

R. E. McROBERTS & SON.

Attorney General Of Kentucky Construes The New Eaton-Thompson Primary Election Law.

In response to many inquiries from over the state Attorney General James Garnett has had prepared a construction of the new Primary Election Law. The opinion will be printed and sent to the county Clerks through out the state, and was prepared by Assistant Attorney General Chas. H. Morris.

"In the first place you ask us to interpret the clause which requires a voter to ask for either a Democratic or Republican ballot. Second, does this clause do away entirely with independent voting? Third, is it possible for a Democratic voter to write the name of a Republican, who is seeking nomination for office, in the blank space usually reserved on the Democratic ballot, and have such vote counted as a vote for that name as a Democratic nominee, or will be counted as a Republican vote?"

LAW FOR DOMINANT PARTIES.
"In the first place the primary election law is designated for the sole purpose of nominating candidates of the dominant parties. By section 3, the nominating candidates by the political parties as hereinafter defined, is specifically provided. By section 5 of the act, a political party, within the meaning of the act, is defined to be an organization of voters having a constitution thereto for their government and regulation, and which at the last preceding Presidential election cast at least twenty per cent of the votes in the entire State. So the act applies only to regularly organized parties which cast twenty per cent of the votes in the last Presidential election, and such parties are required to make their nomination in the primary.

"This act does not repeal the provisions of the old law, which provided for nominations by petitions only by conventions for the political parties not included in the provisions of the recent act.

INDEPENDENTS CUT OUT.
"Independent voters should not have a right, nor are they authorized by the law, to vote in the primary elections. Independent and other parties would have a perfect right to meet in convention or to take the sense of the independent voters in any they please, and they thereby might endorse the nominees of the regular party. The other than Democratic, Republican and Progressive parties, are not restricted by this law to any particular method of making their nomination, nor are they limited to any particular time. So much for the question of independent.

REGISTRATION PROVISIONS OUTLINED.
"In addition to the special qualifications hereinafter prescribed the same qualifications of electors shall apply in primary elections held under this act as are now required in regular elections. Said qualifications shall be determined as of the date of the primary, without regard to the qualifications or disqualifications as they may exist at the succeeding regular election. In precincts where registration is required no elector, except those entitled to be specially registered as hereinafter provided, shall be entitled to vote in any primary unless he is registered in the registration book of said precinct for the succeeding year, as affixing with the party whose ballot he offers to vote. If not registered he shall not be entitled to vote the ballot of the party with which he is registered, and no other. In other precincts qualified electors shall be allowed to vote only the ballot of that party with which they declare their affiliation."

WILL GET PARTY BALLOTS.
"Under this section, it will be clearly seen that in cities where registration is required, a person who is registered as a Democrat, would not be entitled to and should not receive from the clerk other than Democratic ballot; likewise a person registered as a Republican would not be entitled to and should not in the counties and cities where registration is not required, this matter can not be controlled, but it is provided that the qualified electors shall be allowed to vote only the ballot of the party with which they declare their affiliation. This will leave the selection of the nominees open to some abuses, because under it, a Republican elector might declare his affiliation with the Democratic party, receive a Democratic ballot, and then vote for the weakest candidate on the ticket.

CONCERTED ACTION POSSIBILITY.
"By a concerted action on the part of any great number of members of either the one or the other party, the weakest candidates of either the one or the other party might thereby be selected, but from the careful reading of the entire law, I see no way that this matter can be regulated or controlled unless it is left to the discretion and good judgment of the judges, and I doubt then whether they would have the power to refuse a man a ballot on the simple grounds that they did not believe he affiliated with the party indicated by his declaration.

"As to your last question, there is some doubt. Senator J. W. Eaton, who was the author of the bill, and it was he to whom I wrote on his particular question, answered it in part by saying that the electors would be permitted to indicate their choice of selection by writing the name of any person they so chose upon the ballot and that the name as written would count as one vote for the person indicated.

THINKS ONLY PRINTED BALLOT VALID.
"I do not agree with Senator Eaton on this construction of the law. In the first place, I do not think that it was the intention of the Legislature that there should be any blank space left on the ballot for the writing of

names. My belief in this view is somewhat borne out by the latter part of Section 17 of the act, which provides as follows:

"The ballot shall be printed so as to give each elector a clear opportunity to designate his choice of candidates for nomination by making with the stencil a cross in the square after the name of each candidate for whom he wishes to vote for nomination."

WRITTEN NAMES BARRED.
"If my construction of this section is correct—that is, that the choice of the elector shall only be designated in the manner provided in Section 17—then the officers of the election would be authorized to count as a valid vote for any person, whether for one party or the other a name written on the ballot with pencil, or with pen and ink, as far as that is concerned.

"You can readily see how any other construction of this would lead to an abuse of the law, and to thwart the intention of the legislators in having a fair and full and free expression of the voters as to their choice of nominees. As indicated above, it would be a very easy matter, both in the districts where registration is required, and in districts where registration is not required, upon the concerted action of either the members of the one or the other party to write the name of some Democrat or Republican on either the one or the other ballot, who would have no possible chance of winning at the final elections.

MIGHT LEAD TO ABUSE.
"For example in a primary election in Fayette County, upon an agreement by the members of the Republican party that they should vote for John Smith, a Democrat, by writing his name on the Republican ticket, and it so happened that John Smith was a man of such character that he could not possibly win in the November election, there would be a clear defeat of the intention of this law, and we believe that the courts will hold that such action would not be permissible, because it would defeat the purposes of the act."

Herald Urges Other Counties To Follow Boyle in Removing Objectionable Signs.

Lexington Herald: The Herald has for years insisted that the pikes and other roads of this section shall not be disfigured by signs and other advertisements, which obstruct the view and in many cases scare horses. It is gratifying to note that the Fiscal Court of Boyle county has taken official action in the matter and directed that every sign or other advertisement be taken down at once and further posting of signs be rigidly prohibited.

The other Fiscal Courts of the most beautiful country in the world should follow the example of that of Boyle and have the unsightly signs removed. It frequently happens that they are so thick that it is impossible to see the well-kept farms along the pike and the nuisance grows and continues and will until drastic action is taken as in Boyle county. Which county will be the next to follow suit?

She's At It.
My easy chair is filled with books
And picture frames and things.
My humidor holds picture books.
And carpet tacks and things;
I cannot find my favorite pipe
Nor e'en my smoking coat.
The air with dust is over ripe.
It's easy now to note,
She's at it.

Last night I tripped upon a chair
Which blocks the narrow hall,
No rocker e'er before was there
That I can now recall.
This morn I couldn't find my shirts,
My underwear or hose,
They're somewhere in the house, she says,
But just where, goodness knows.
She's at it.
She wears a towel round her head,
Her back's begun to ache,
In soap I soon expect to tread,
Left somewhere by mistake.
My razor and my shaving strop
Have disappeared from sight.
She'll have the house turned upside down
I'm sure, by Wednesday night.
She's at it.

Notice To Water Consumers.

There is an ordinance prohibiting the use of hydrants for sprinkling purposes except between the hours of from 5 to 7 o'clock a. m. and from 5 to 7 o'clock p. m. This affords ample time for sprinkling which is necessary for the comfort of those who use the city water for that purpose.

With the present high pressure which is afforded, it is very injurious to turn the hose directly with full force against the street and you can obtain better results by elevating the nozzle and allowing the water to descend in a shower. If patrons insist on injuring the streets as above set out, they will be required to secure sprays for their lawn hose.

We have ample water for all purposes, but patrons are requested to be as saving as possible with the water, use what you want for domestic and sprinkling purposes, but do not allow your hydrants to run all night and in other ways waste the water.

There has been several industries started which will require considerable water, and in order to supply them it will be necessary to be as careful as possible with the water supply. The manner in which the water is used will be carefully watched, and the laws governing its use enforced.

Laid Right Over Wood Shingles
No Dirt, No Bother—fits a very short time any building can have its fire-trap covering turned into a modern fire-proof, storm-proof, lightning-proof roof at a very moderate cost—a roof that will last as long as the building and never need repairs.

For Sale by
Local contractors or Cortright Metal Roofing Co., 50 North 23rd Street, Philadelphia, Pa.

"Yes Sir! Studebaker wagons are made to back up a reputation."

"I know, because wagons of every make come into my shop for repairs, and I have a chance to see how few are Studebakers."

That's the opinion of thousands of blacksmiths who know the quality of Studebaker wagons.

The owners never regretted that they bought Studebakers.

Tested materials, accurate workmanship insure a wagon unequalled for durability, and this careful selection of wood, iron, steel, paint and varnish has been a fixed rule with the Studebaker Company for sixty years. That is why a Studebaker wagon runs easiest and lasts longest. It is built on honor.

Whether you live in town or country, there is a Studebaker vehicle to fill your requirements for business or pleasure—and harness of every description made as carefully as are Studebaker vehicles.

"Pittsburgh Perfect" Fence

**Gives the Farmer a Big Boost
in making His Farm Prosperous**

Did you ever notice that a prosperous farm is invariably well fenced, and is usually divided into small fields by a fence "horse-high, hog-tight and bull-strong"? Why is it?

Because the prosperous farmer realizes that good fences are as necessary to successful farming as fertile seeds, efficient labor and proper machinery. But the wise farmer investigates before he invests. Others just buy and are often "sold." "Pittsburgh Perfect" Fence is made with but one end in view—to give best service for the longest time at least cost. Investigating it costs nothing. Investing in it pays.

Made in Different Styles for FIELD, FARM, RANCH, LAWN, CHICKEN, POULTRY and RABBIT YARD and GARDEN

Ask your dealer for "Pittsburgh Perfect" and insist on his furnishing it. Do not allow him to persuade you that some other fence is just as good. If he doesn't sell it, write us direct.

"Pittsburgh Perfect" Brands of Barbed Wire: Bright, Annealed & Galvanized Wire; Twisted Cable Wire; Hard Spring Coil Wire; Fence Staples; Poultry Netting Staples; Regular Wire Nails; Galvanized Wire Nails; Large Head Roofing Nails; Single Loop Bale Ties; "Pittsburgh Perfect" Fencing. All made of Open Hearth material.

Gossip About People

A Brief Mention of the Comings and Goings of Those We Are Interested In.

Miss W. H. Ward visited relatives in Richmond last week.

Mrs. Ethel West Darnold has been in Lexington for a visit to friends.

Miss Allene Bourne is in Stanford with her sister Mrs. W. K. Warner.

Miss Mary Mahaffy of Irvine has been a recent guest of Mrs. C. D. Powell.

Mr. Wm. Gregory of Braddock N. D. is here for a visit to Lancaster relatives.

Miss Susie Hilton spent Sunday in Stanford with her mother Mrs. J. H. Hilton.

Miss Martha Tindler of Birmingham, Ala. is the guest of Elder and Mrs. F. M. Tindler.

Shirley the little son of Reverend and Mrs. S. H. Politt is reported quite sick of measles.

Miss Merle Walker oldest daughter of Mr. and Mrs. Wesley Walker is ill of measles.

Mrs. W. K. Warner of Stanford has been visiting her parents Mr. and Mrs. J. B. Bourne.

Mrs. Rozella Dunn and little daughters are in Lexington visiting Mr. and Mrs. I. S. Dunn.

Mr. and Mrs. H. H. Hall of Winchester were recent guests of Mr. and Mrs. J. Parker Gregory.

Mr. and Mrs. H. C. Hamilton and daughter spent Sunday at Buena Vista with Mrs. Mary Fox.

Mrs. J. C. Eubanks and daughter of Stanford have been with Mrs. Eubanks' mother Mrs. Belle Perkins.

Mrs. Margaret Harold has returned to her home in Stanford after a visit to her niece Mrs. R. H. Batson.

Mrs. Henry Simpson and little daughter Elizabeth are in Lexington with her mother Mrs. W. S. Henry.

Miss Margaret Hocker and brother of Stanford were guests on Saturday of their aunt Mrs. Mattie Duncan.

Miss Elizabeth Ford of Sayre Institute Lexington was at home for a visit of several days with her father Judge A. D. Ford.

Mrs. Jennings Greenleaf and little daughter and Miss Van Greenleaf of Richmond were the guests the past week of Mrs. Emma Kauffman.

Misses Delia Tindler and Mary Elmore were guests of honor at an elegant reception given at the home of Miss Lorena Robinson in Jeffersonville.

Reverend and Mrs. Morgan of Louisville are in Lancaster to reside, the Reverend Morgan having been called to the pastorate of the Baptist church.

Miss Mabel Mason one of the popular teachers in the High school has been taken to the Pattie Clay Infirmary at Richmond with all indications of typhoid fever.

Hon. R. H. Tomlinson was in Pineville this week on legal business.

Mr. E. W. Morrow was in Lexington Monday on business, and also enjoyed the ponies for one afternoon.

Mr. and Mrs. Ralph Scott of Buena Vista, spent last week visiting in Lexington, Georgetown and Mt. Sterling.

Miss Olive Dean the popular primary teacher of the Graded school is suffering with a bone felon on her left hand.

Col. A. T. Anderson spent a few days in Lexington this week and incidentally took in the races while in the Blue Grass capital.

Mr. and Mrs. J. Raymond Haselden and little son left Tuesday for a meeting of the Shriners in Dallas Texas. They will visit Mr. Haselden's sister, Mrs. Malcolm Aldridge, before their return home.

Mr. and Mrs. W. A. Speith came down from Louisville and spent a few days at the Kengalan last week. Mr. Speith to wind up his tobacco business and Mrs. Speith for a visit to Mrs. Zimmer.

Mr. Chester Lewis who has been attending the pharmaceutical school at Louisville for the past year returned home Saturday and has accepted a position in the drug store of R. E. McRoberts and Son.

Mr. John M. Duncan will leave Sunday for Atlanta to attend the assembly of the four Presbyterian organizations of the world. This is to be the first joint gathering ever held by these bodies in the history of Presbyterianism.

Hon. Joe Robinson and Mr. R. L. Elkin spent Saturday with Danville friends. They are boosting the Lancaster Record which, under their editorship and management, is one of the best weeklies in the state.—Danville Advocate.

Miss Elizabeth Gibbs is suffering with a sprained wrist caused by being thrown from her buggy by the dropping of the shaft while coming down the big hill this side of her home. Her many friends are congratulating her that she made so narrow an escape.

A neat program of the commencement exercises of the Springfield High School contains the name of Henry Goodloe, son of John Goodloe, formerly of this place as the class orator. This is quite an honor for Henry and his friends here are justly proud of him.

It will be good news to the many friends of Eugene Arnold to know he graduated in a Mechanical School in Cincinnati receiving the highest mark in a class of 15, and was immediately offered a position as instructor in the school. Eugene is a son of Conductor Joe Arnold and a nephew of the late George T. Arnold.

Mr. G. C. Rose of Marcellus passed through town Monday on his return from Owsley county where he has been to look after his large interests in that county. Mr. Rose owns about 4100 acres of good timber land there and has several hundred hogs that are thriving on the rich mast that this farm produces.

Played At Burnside.

Two of Danville's most talented musicians, Misses Lula Mae Bates, violinist, and Mac Magee, pianist, gave a concert at Burnside, on April 25th, which was greatly enjoyed by a large audience. These gifted young ladies are winning a well-deserved reputation. —Messenger.

A New Fish Story.

Mr. John Moss, a local disciple of Isaac Walton, comes forward with a new fish story: John arose one morning this week before daylight bent on a days angling, he went for a bucket of minnows which he had been carefully hoarding and to his chagrin found over half of them had disappeared, and he confidently asserts that one half had eaten the other. We have been fishing many years, but this is the first time we ever heard of the local species of minnows displaying cannibalistic qualities. We usually lose them at the hands of some fellow who beats us getting up.

We Love Lancaster, But Oh You Paint Lick.

It was the happy lot of the writer to spend two delightful hours in the enterprising little city of Paint Lick last Friday and without an attempt to flatter the good people of that section it can be truthfully said that no town of its size has yet been found that equals this delightful little hamlet. The generous people of that town have demonstrated that it will take more than an ordinary flood to even check her mighty industries. Of course Lancaster is a good town and we expect to live here for at least a hundred years yet, but if we were going to change our residence we do not know of any country beneath the sun we would rather live in than that Paint Lick neighborhood.

Tomlinson.

Mrs. Loula Tomlinson, wife of Hon. Robert H. Tomlinson, died at her home on Richmond street in this city on Tuesday afternoon after an illness which has covered a period of many years. She was the oldest daughter of the late Stephen and Margaret Marrs, and was one of Lancaster's noblest and best beloved women. During an illness which has covered a long period and which was fraught with such an amount of pain and suffering as seldom falls to the lot of one person, she was never heard to utter one word of complaint, exhibiting a fortitude born of the beautiful christian spirit which she possessed, and though her suffering at times was intense, she maintained a cheerfulness which was beautiful to behold. Her one regret at leaving this vale of tears was the separation from her family and loved ones.

Besides her sorrowing husband, she is survived by one daughter, Miss Annette, and two sons, Messrs Harry and Robert Jr. and by two sisters, Mrs. Ada Kinnaid and Mrs. G. C. Swinebroad of this city, and two brothers, John R. Marrs of Richmond Ky. and William R. Marrs of Knoxville Tenn. Mrs. Tomlinson was born in Lancaster, she was in her 53rd year, and was reared here and was known and liked by everyone; she had long been a member of the Presbyterian church and was a christian in every sense that the word implies. A devoted wife and kind and loving mother, true friend and noble christian woman, her death will bring sadness to the entire community.

After funeral services at the family residence at 2:30 o'clock this Thursday afternoon, conducted by Rev. E. H. Pearce, assisted by Revs. J. Rockwell, Smith, F. M. Tindler and S. H. Politt, her remains were interred in the Lancaster cemetery beneath a mound of flowers, sad memorials of the esteem in which she was held. The tender love and kindly sympathy of the entire community goes out to the grief stricken husband and father and the children in their hour of trouble.

YOU'LL FIND IT IN THIS COLUMN.

FOR SALE:—"Reids Yellow Dent" seed corn, extra nice; this variety has won more prizes than any other yellow corn. J. G. Doty, Jr. Paint Lick, Ky.

Wanted:—30 cattle to graze by the month, rye, timothy and blue grass. B. L. Kelly, R. F. D. No. 1 Lancaster Ky.

I will stand my Hornless Durham Bull at my place at McCreary, 5 miles from Lancaster on Buckeye Pike, at \$1 cash or \$1.50 on time. He is No. 1 in every way. Dan Ray.

For Rent 154 acres of grass near Hyattsville, for year 1913 would like to sell. Mrs. Pattie G. Haydon, Nealon, Jessamine Co.

Col R. G. Evans this week sold seventy-seven head of fat hogs to Bevan and Hutchins at \$7.80 per hundred. They bought a bunch from W. H. Thurmond at same price and another bunch from Samuel McConnell at 8 cents.—Advocate.

Reports from Madison county state that Edgar T. Doty, of Richmond will have the greatest stable of horses the coming season he has ever had, and when his remarkable success with Little Princess is considered that is saying a great deal. His stable will be headed by Emerald Ray, Ray Moss' young stallion; and Mr. Doty claims that he will go down the line undefeated in the aged gaited classes.

News Of The Churches.

The W. C. T. U. District Convention will convene at Hustonville May 14. Mrs. Wm. Burnett president. Delegates Mrs. Fanny Farra, Mrs. Ed Price, Mrs. Dollie Brown, Mrs. Emma Kauffman, Mrs. Austin.

NINA.

Mr. Willie Preatt bought of Morris Ross a nice gilt for \$8.

Mr. W. E. Whitaker and wife spent Saturday night and Sunday with her father Mr. Sutton.

Miss Annie Mae Pruett is spending a week with her grand parents Mr. and Mrs. W. T. Watson.

We are glad to know that the little son of Mr. Mat Moor who has been so ill is doing nicely now.

Borned to the wife of Mr. Clarence Pendleton a 10 lb boy the child is dead but the Mother is doing nicely.

Mr. R. W. Sanders and wife and little daughter Lucile visited his father Mr. J. M. Sanders at Marksburg last Sunday.

BUENA VISTA

Miss Artie Johnson is visiting relatives in Boyle Co.

Miss Alyce Mabel Scott closes a Select School here to-day (Friday).

Mr. and Mrs. Will Poor spent Saturday and Sunday in Wilmore.

Mr. and Mrs. Wm Johnson of Danville visited relatives here Saturday.

Mr. Tom Skinner of Richmond Normal spent the week's end with his parents.

Miss Genieve Williams of Louisville is the guest of her friend Mrs. W. G. Christopher.

Messrs Clay and Will Hamilton of Lancaster were guests of their mother Mrs. M. A. Hamilton Sunday.

Mr. William Munday and sister of Harrodsburg spent the week's end with their aunt Mrs. Joe Hamilton.

Mr. Henry Ruble is at home from Burgin where he has been under treatment by Dr. Guttery for several weeks. We are glad to report Mr. Ruble much improved.

MARKSBURG.

Mr. Mason Pollard spent several days in Richmond last week on business.

Mrs. Sallie Fox has about recovered from a slight illness of a few days duration.

Miss Bessie Patton who has been at Richmond for the past 12 months came home last week.

Mr. Robert Fox lost a valuable mare with pink eye leaving a young colt which died 3 weeks later.

Mrs. Crit Eubanks and daughter of Stanford have been visiting her mother Mrs. Belle Perkins.

Mr. and Mrs. Alfred Swope have been recent visitors to friends at Lancaster and Stanford.

Messadmes Rod Swope and C. C. Becker have returned from a visit to their sister Mrs. Johnson of Nicholasville.

Rev. J. W. Mahan and Mr. Tom Chesnut went to Jellico Tenn. last Friday to visit friends and to attend the dedication of the new Baptist church of that place.

Two young men from Polly's Bend were thrown from a motorcycle traveling the 40 miles an hour with slight injury. The accident occurred here and was caused from a bursting tire.

STANFORD.

Mr. and Mrs. J. F. Holdsm are spending a few days at Crab Orchard.

Mrs. H. J. McRoberts has returned from Louisville where she has been visiting.

Mrs. W. H. Shanks has been the guest of her parents, Mr. and Mrs. T. E. Baldwin, at Richmond.

Mrs. C. Hays Foster left Saturday for a weeks visit to her parents, Dr. and Mrs. Nuckols at Pineville.

Mrs. E. T. Beazley and attractive daughter, Sadie Woodcock, are visiting Mrs. Beazley's father, Mr. Gray at Versailles.

Miss Ophelia Lackey of Crab Orchard, spent a few hours here Saturday. Miss Lackey was returning from a very pleasant visit to her brother Mr. Sam Lackey at Harrodsburg.

Mr. Wearan Hughes, of Memphis Tenn., spent Sunday with his mother

and brother here. His mother, Mrs. Julia Hughes returned with him to be his guest for a short time.

The announcement by Mr. Jesse S. Hocker of the engagement of his daughter, Margaret Shanks to Mr. Kelly J. Francis, of Hindman Kentucky, has been received with much interest by her many friends here.

Mr. J. T. Wilkinson, son of Mr. and Mrs. Edgar Wilkinson, who holds a very responsible position with the Taylor-Isaacs Drug Co., in Louisville, by which Company he is held in very high esteem, spent Sunday here.

Mr. T. S. Benson has been appointed post Master at Yosemite Casey County. Hon. Harvey Helm indorsed Mr. Benson and he was appointed on that indorsement. It has been reported that another had been given the place over Mr. Helm's indorsement.

The popularity of Mr. H. J. McRoberts and Mr. W. B. McKinney was clearly shown on Saturday when the election of a Trustee for our thriving school was selected. Mr. McRoberts declined to make the race for re-election but suggested Mr. W. B. McKinney as being a gentleman admirably fitted to fill the responsible place. The popularity of these gentlemen is such that no one could be persuaded to oppose them. Mr. J. L. Beazley who had been mentioned as a possible candidate refused to slow his name to go on the ballot. Only a few ladies took advantage of this, their first opportunity to cast a vote.

TRY SOLACE AT OUR EXPENSE

Money Back for any case of

Rheumatism, Neuralgia or Headache that

Solace Fails To Remove.

SOLACE REMEDY is a recent medical discovery of three German Scientists that dissolves Uric Acid Crystals and Purifies the Blood. It is easy to take, and will not affect the weakest stomach.

It is guaranteed under the Pure Food and Drugs Law to be absolutely free from opiates or harmful drugs of any description.

R. Lee Morris, president of the First National Bank of Chicago, Texas, wrote the Solace Company as follows: "I want you to send a box of Solace to my father in Memphis, Tenn., for which I enclose \$1. This remedy has been used by some friends of mine here and I must say its action was wonderful. (Signed) R. L. Morris."

Put up in 25c, 50c and \$1. boxes. IT'S MIGHTY FINE TO BE WELL AND YOU CAN SOON BE SO BY TAKING SOLACE. "No Special Treatment Schemes or Fees". JUST SOLACE ALONE does the work. Write today for the free box, etc.

SOLACE REMEDY CO., Battle Creek Mich.

Electric Bitters

Succeed when everything else fails. In nervous prostration and female weaknesses they are the supreme remedy, as thousands have testified. FOR KIDNEY, LIVER AND STOMACH TROUBLE it is the best medicine ever sold over a druggist's counter.

News has been received of the serious illness of Miss Allie Arnold of Pittsburgh, Penn.

The last draft due the teachers has come and will be paid to the teachers Saturday.

How's This.

Oh, tradesman, in thine hour of e e e. If on this paper you should e e e. Take our advice and now be y y y. Go straight ahead and advert i i i. You'll find the project of some u u u. Neglect can offer no ex q q q. Be wise at once, prolong your d d a a. A silent business soon de k k k.

WEBB ACQUITTED

Thus Ending Famous Case in Lexington.

By unanimous verdict on the second ballot a jury in the circuit court in Fayette county on last Saturday returned a verdict of not guilty in the case against Richard S. Webb Jr. charged with house burning. Webb was charged with having set fire to the office of Prof. Paul Anderson, Dean of the school of Electrical and Mechanical Engineering at State University on the night of October 30, 1912. The case has caused much excitement in Lexington, the services of the state fire marshal being called into the case to investigate the burning.

MT. HEBRON

Miss Bettie Scott was in Lexington last Thursday.

Mr. J. E. Sherrow sold a nice mare last week for \$185.

Mrs. E. F. Scott had a mare to fall into a hollow and die last week.

Mr. Joe Pope bought of Mr. J. E. Sherrow two cows and calves price \$106.

Miss Amy Montgomery closed a three months term of School at Bourne last Friday.

Miss Mollie Crawford of Buena Vista was the guest of Mrs. Chas. Duncan Sunday.

Mrs. Thomas Crank has fever at the home of her father Mr. Thomas Montgomery.

Mr. Ernest Montgomery sold a bunch of hogs to C. A. Arnold at 8c per pound for July delivery.

Rev. Mahan will preach at this place Saturday afternoon in connection with the call meeting. Hope all the members will be present.

Mr. and Mrs. L. E. Speaks took their baby to Lexington last Tuesday where it underwent an operation for adenoids. The little fellow is doing nicely at this writing.

PAINT LICK.

Several men from here attended court in Richmond Monday.

Mr. Jas. Burrows returned last week from Texas where he spent the winter.

Mr. and Mrs. W. D. Hammack have had for their visitor his mother of Flat Woods.

Mrs. J. Morgan of Whites Station spent Tuesday with her sister Mrs. R. G. Woods.

Miss Margaret Anderson entertained a number of her friends at dinner last Sunday in honor of her visitors Misses Nolan and Doty of Madison county.

A team of sober minded residents of our village were lured up to the school grounds Tuesday afternoon and beaten by the boys 7 to 2. Lots of fun. They broke a bat, chopped a ball to flinders and knocked the props from under Edmond, who was acting as an innocent bystander.

The Kirksville boys came over to the school grounds Saturday afternoon and kindly gave our boys a lesson in elementary base ball. As a mere matter of form it was kept on the proceedings by means of a score card. Each side got one run, and the visitors notched forty more at odd times, just to make it decisive. It was a great game. Ask Chester.

Shrubbery on Steeple. A shrubbery of a dozen small elder trees, each over three feet high, was discovered a few days ago growing on the steeple of the Wesleyan church, Kingston-on-Thames, England.

Proud of Record. A clergyman in Chicago, celebrating the fiftieth anniversary of his pastorate, draws attention to the record of happy marriages at which he has officiated. Out of 4,607 couples married, only two couples have been divorced.

Women!
If weak, you need Cardui, the woman's tonic. Cardui is made from gentle herbs, acts in a natural manner, and has no bad results, as some of the strong drugs sometimes used. As a medicine—a tonic—for weak, tired, worn-out women, Cardui has been a popular success for over 50 years.

E 57 Take CARDUI

The Woman's Tonic

Mrs. Lula Walden, of Gramlin, S. C., followed this advice. Read her letter: "I was so weak, when I first began to take Cardui, that it tired me to walk just a little. Now, I can do all the general housework, for a family of 9." Try Cardui for your troubles. It may be the very remedy you need.
